AFFIDAVIT OF JOHN T. SAHLBERG

STATE OF IDAHO)
) ss
COUNTY OF ADA)

I, John T. Sahlberg, being first duly sworn, do depose and say:

1. I am Sr. Vice President, General Counsel, and Secretary of Boise Cascade Wood Products, L.L.C., a Delaware limited liability company.
2. Recently, Boise Cascade Wood Products, L.L.C. discovered that its water rights at real property owned in Emmett, Idaho, are incorrectly identified in IDWR records, and in the Water Supply Bank, as being owned by an entity referred to as “Boise Cascade Corrugated Containers.”
3. “Boise Cascade Corrugated Containers” is not a legal entity, and does not own these water rights in Emmett. The purpose of this affidavit is to facilitate IDWR’s correction of this ownership discrepancy.
4. Attached hereto as *Exhibit A* is a true and correct copy of the Special Warranty Deed, dated October 29, 2004 (the “Warranty Deed”), showing the acquisition of the subject property by Boise Building Solutions Manufacturing, L.L.C. As noted on the bottom of page 1 of the Warranty Deed, all of the water rights were conveyed with the subject property.
5. Attached hereto as *Exhibit B* is a true and correct copy of the Certificate of Amendment issued by the Delaware Secretary of State, Division of Corporations, showing that “Boise Building Solutions Manufacturing, L.L.C.” changed its name to “Boise Cascade Wood Products, L.L.C.,” effective as of May 3, 2010. Thus, “Boise Cascade Wood Products, L.L.C.” is the legal successor-in-interest to all of the rights and obligations of “Boise Building Solutions Manufacturing, L.L.C.,” as grantee of the subject property.
6. Therefore, with respect to water rights 65-00585, 65-00586, 65-00587, 65-02950, and 65-05787, the current owner should be identified as “Boise Cascade Wood Products, L.L.C.” in all IDWR records (and in the Water Supply Bank), and all references to “Boise Cascade Corrugated Containers” should be removed.

Further this affiant sayeth naught.

Re: Change of Ownership for Water Right Permit No(s): 65-585, 65-586, 65-587 and 65-2950

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

As stated in our emails, a refund has been requested for water right 65-5787. The deeds provided were not appurtenant to this water right. You will be receiving the refund under separate cover from the State Controller's Office within 10 days.

Please note, all of water right(s) **65-585, 65-586 and 65-2950** were leased to the Water Supply Bank on (Bank) in 2004. A portion of water right(s) **65-587** was leased to the Water Supply Bank (Bank) in 2004. To date, part of the right(s) appurtenant to 18.28 cubic feet per second (cfs) remain leased to the Bank. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the Bank, even if the right(s) is not rented from the Bank. The right(s) will remain in the Bank indefinitely unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release, and notify the right holder of the release date.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and 42-223, Idaho Code.

Also note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

Thank you for your patience. If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

Subject: RE: Change in Ownership

Hi Jean,

Thanks for getting back to us with regard to our application. Thanks also for notifying us that the legal description for 65-05787 was omitted from the deed. After reviewing the Adjudication Claim, proof records and decree, it looks like there was initially some confusion about what county 65-05787 was located in, but we now know that it is not appurtenant to the other 4 water rights at the Emmett property.

Thus, as you suggested, please process the name change for the first 4 rights, and send us the refund for 65-05787.

Thanks,
Kyle
