Re: Amended Application for Permit No. 57-11840 in the Name of Rohl Hipwell

Dear Protestants:

With this correspondence, pursuant to the request of Hearing Officer Steve Lester, I am enclosing a copy of the Amended Application for Permit No. 57-11840 filed earlier today on behalf of applicant Rohl Hipwell. The only substantive change to the original application is the change in the irrigation place of use that has been previously discussed.

Please feel free to contact me directly with questions or concerns.

Sincerely,

Charles L. Honsinger
