RE: Assignment of Permit for Water Right No. 95-10382

Dear Permit Holder(s):

On September 15, 2014, the Department received a "Notice of Change in Water Right Ownership" form along with the \$25.00 filing fee. On February 17, 2015, the Department received an "Assignment of Permit" form to change ownership of the above mentioned permit.

Your Notice of Change in Water Right Ownership form is being returned to you because it was the Assignment of permit form that was needed then processed. The Department has modified its records to reflect the change in ownership and has enclosed a computer generated report for your records.

I initiated the process to have the fiscal section of our Department reapply the \$25.00 fee you submitted under the Notice of Change in Water Right Ownership over to the Assignment of Permit that was submitted.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Darla Block
Technical Records Specialist
