RE: Application for Transfer No. 78799 and Application for Exchange No. 78800

Dear Mr. Harris:

Please see enclosed copy of application for transfer no, 78799 and application for exchange no. 78800. Both of these applications were filed with the department on August 22, 2013. These applications were advertised on September 12 and 13, 2013 and protested by multiple protestants.

On October 1, 2013, the department mailed acknowledgment letters of the protests to you, the applicant and the protestants. In the acknowledgement letter, it requested that you work with the protestants to find the best option for resolution, if no resolution was made, then it was requested that you contact the department to schedule a prehearing conference. We have not received any from you or the applicant. Please request a prehearing conference or submit a withdrawal of applications no later than 30 days from this letter.

If you do not respond within 30 days, IDWR may void your application.

If you have any questions, please feel free to contact me.

Sincerely,

Sharla Cox
Water Resource Administrative Assistant
