Re: Transfer Evaluation

Transfer No. 79765 for water rights 29-14125, 29-14126 and 29-14127 proposes to change the points of diversion and the place of use.

Authority to file:

All of the water rights are currently in the name of Kevin or Alecia Peck. The current place of use is also in the applicants name. There are no leinholders on the water rights.

Validity of the Water Right:

Water rights 29-14126 and 29-14127 were decreed on March 22, 2004. Water right 29-14125 was licensed on December 18, 2002. Aerial photography shows consistent irrigation. Forfeiture does not appear to be an issue.

Injury to Other Water Rights:

No injury to other water rights was identified.

Local Public Interest:

No issues identified.

Beneficial Use / Conservation of Water Resources:

No issues identified.

Review of the application finds there is not clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this transfer application.
