RE: Change in Ownership Water Right No. **27-7325B, 27-7326, 27-2118**

Dear **Sir/Madam:**

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** The department received some Deeds on December 19, 2014 from the deed the department did not already have covered a 10 acre parcel, however we are still waiting for the deed covering approx 73 acres. Please note deed number 301247 indicates the legal is continued on the following page the department only received one page of that instrument. I have attached a map showing the property in question.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

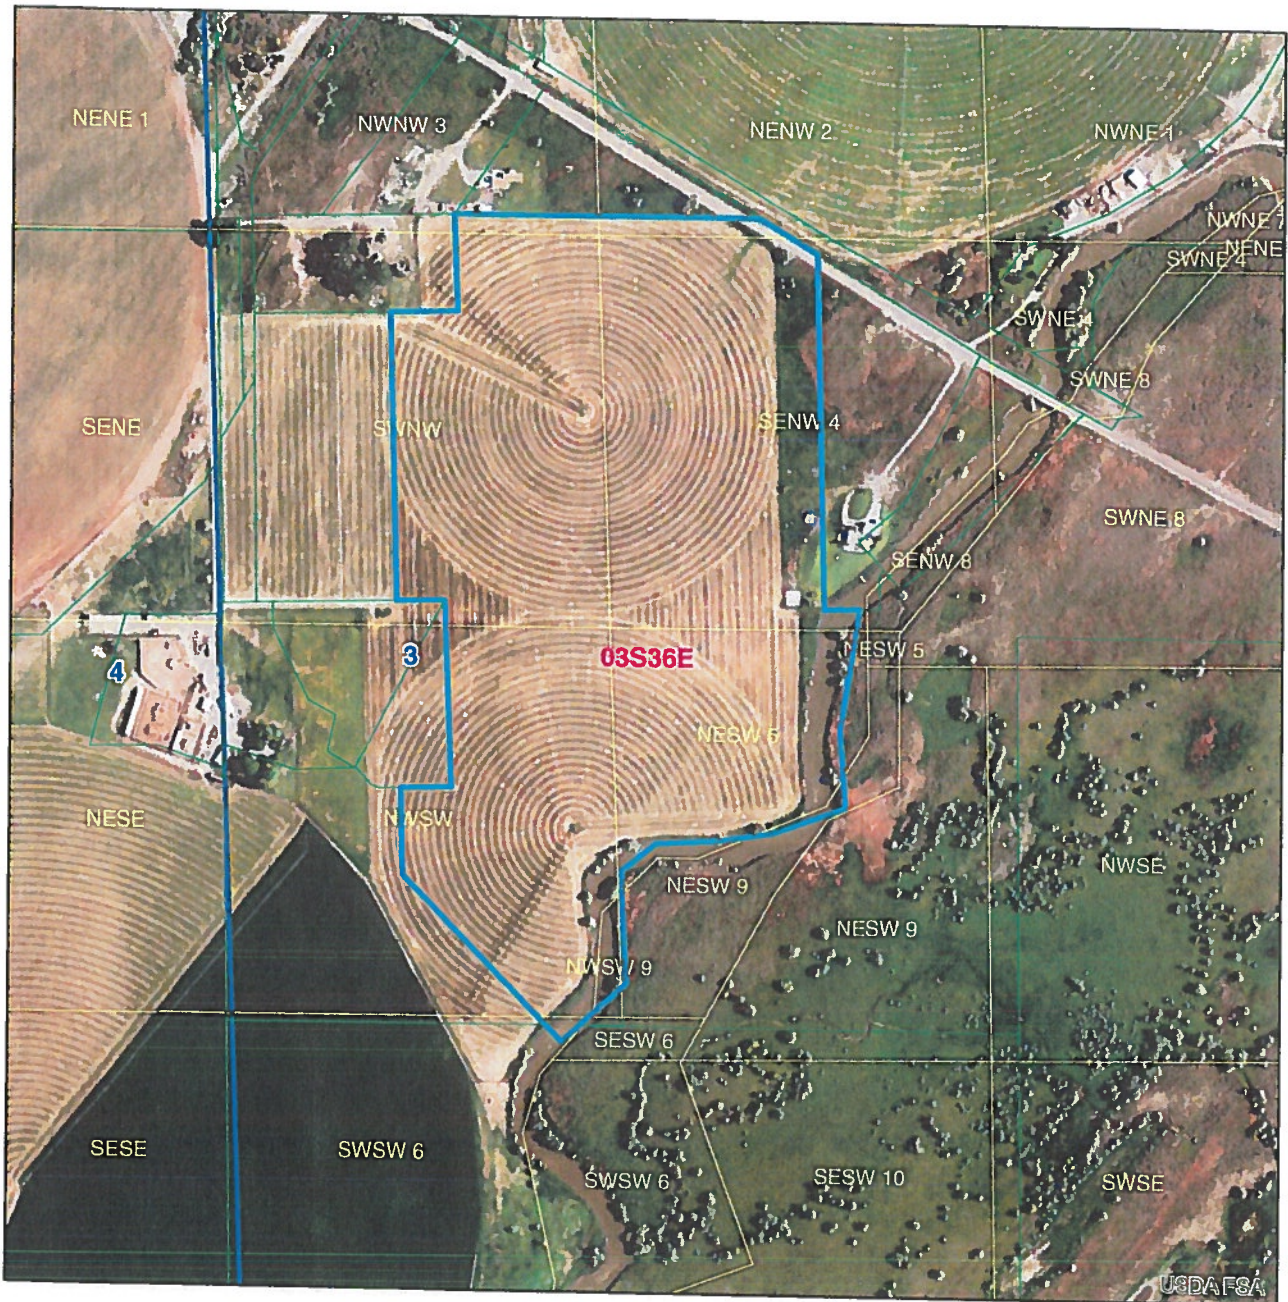

Sincerely,

Jonie Barg
Technical Records Specialist
