Re: Address updates

Thank you for your help regarding updating the addresses with the Dept of Water Resources / water rights.

I spoke with Jim Chambers, and he does not see any reason to add an "attorney" to any of our water rights mailings at this time, so if you can just update the addresses to the Eagle office we should be okay.

If you have any questions, or if I need to correct any of the forms, please give me a call.

Evelyn.
