Re: Ownership Change of Water Right No. 29-4179

Dear Sharla:

Tuesday I mailed you a Notice in Change of Water Right Ownership to split water right no. 29-4179 between Larry Bull and the Lilly Sioux Estates Property Owner's Association, Inc. The Association received a 30 acre portion of the water right, and Bull retained the remainder. Of the remaining portion retained by Bull, 3 acres were transferred to his son Dan via the enclosed Warranty Deed. Dan recently agreed to convey a portion of his water right back to his parents, keeping only 3 acres worth of water, as stated in the attached Water Right Deed.

So, water right 29-4179 now needs to be split three ways: the Association will have 30 acres worth of the right appurtenant to Lots 1-14, Dan Bull will have 3 acres appurtenant to his property, and Larry Bull will retain the remainder.

Call me if you have any questions.

Sincerely,

T. J. BUDGE
