Subject: Application for Permit 63-33979

Mr. Day:

I apologize for not catching this when you were in the office to amend the application, but the existing well that you propose to use was filed under a domestic-only drilling permit for a fee of \$35. To upgrade the drilling permit to allow the well to be used for irrigation purposes requires a drilling permit upgrade fee of \$165 (irrigation drilling permit fee is \$200, you only have to pay the difference of \$165).

I am sending the application in for advertising; please remit the additional fee at your earliest convenience so that when the protest period has expired (10 days after final newspaper publication), if there are no protests filed we can route the file for permit approval.

Again, I apologize for any confusion or inconvenience this may have caused.

Sharla Curtis
