CONDITIONS OF APPROVAL

1. Rights 37-415 and 37-416 are limited to the irrigation of a specific 529.2 acres within the 607.2 acre place of use authorized by this right in a single irrigation season. The specific 529.2 acres to be irrigated by the right holder shall be identified prior to use by submittal of a land list and a representative electronic shape file or by submittal of a land list and a map sufficiently detailed to allow creation of an electronic shape file to be associated with this right in the geographic information system component of the water rights database maintained by the department. Before changing the 529.2 acres to be irrigated within the 607.2 acre place of use, the right holder shall submit a new land list and representative electronic shape file or map to the Department prior to the irrigation season in which the change will occur.
2. This right is limited to the irrigation of 516.3 acres within the authorized place of use in a single irrigation season.
3. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
4. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No.37.
5. This right in combination with all other rights for irrigation of the lands above shall provide no more than 3.5 afa per acre, measured at the field, when water is applied via pump and pressurized irrigation system.
6. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
7. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
8. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
