RE: Notice of Change of Water Right Ownership for Thirty-Three Water Rights and Assignment of Three Water Right Permits.

Dear Jonie:

Enclosed for processing is a *Notice of Change of Water Right Ownership* which updates ownership of thirty-three water rights from The Boyd Charles Smith & Jill Johnson Smith Trust to Smith Teton Ranch, LLC. As you can see from the recorded *Grant Deed*, the Smith Trust has moved all of its property into a limited liability company. We have also included the required \$825.00 filing fee, which is calculated at \$25.00 per water right for the thirty-three water rights. No water rights are proposed to be split.

We have also included a completed *Assignment of Permit* form for three permits currently in the name of the Trust, and the required \$25.00 filing fee per permit, which totals \$75.00.

If you have any questions or concerns, please let me know.

Best regards,

Robert L. Harris
