

BEFORE THE DEPARTMENT OF WATER RESOURCES

OF THE STATE OF IDAHO

**IN THE MATTER OF APPLICATION)
FOR TRANSFER NO. 78363 IN THE)
NAME OF TELFORD LANDS LLC)**

**ORDER POSTPONING
HEARING DATE**

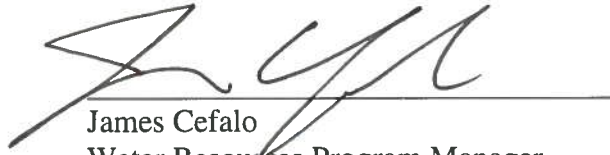

On January 7, 2013, the Idaho Department of Water Resources ("Department") scheduled Application for Transfer No. 78363 for a hearing to be held on August 13, 14 and 15, 2013. The hearing had been scheduled for an earlier date, but was advanced to the August date to allow another protested application for transfer (No. 77610 - "Parkinson Application") within Basin 34 to reach final resolution.

The Parkinson Application has still not reached final resolution. The case was recently remanded to the hearing officer by the Director for a supplemental hearing. It now appears that the Parkinson Application may not reach final resolution until Fall 2013. After consultation with the parties to this contested case, the hearing officer has determined that the supplemental hearing for the Parkinson Transfer should be held and the administrative record for that case closed before proceeding with the hearing for this contested matter.

ORDER

IT IS HEREBY ORDERED that the August 2013 hearing scheduled for Application for Transfer No. 78363 is vacated. The disclosure deadlines established in the January 7, 2013 Order are also vacated and will be reset when a new hearing date is selected. The Department will schedule a status conference in September 2013 to discuss rescheduling the hearing.

Dated this 28th day of June, 2013.

James Cefalo
Water Resources Program Manager
