RE: Change in Ownership Water Right No. **34-10577**

Dear **Sir/Madam**:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** Copy of a recorded Warranty Deed or other legal evidence of ownership. The department received a copy of a Notice of Purchasers Interest, by reading the document it appears to be a notice of the parties entering into a contract of sale. Typically with a contract of sale the ownership is not changed until the obligations outlined in the contract are met. Then a Warranty Deed is typically recorded and then the ownership of the property and water rights are transferred to the buyer.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. **If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.**

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
