RE: Permit No. 95-11100

EXTENSION DEFICIENCY LETTER

Dear Permit Holder(s):

The Department received your Request for Extension of Time (extension request) form filed on December 08, 2014. While reviewing your request, I note that you failed to provide information that would show there is good cause for the Department to grant your extension request. Please be more specific when filling in the section that explains the reason you have been unable to complete the project. The statute provides that the Department may grant one extension for up to 5 more years, provided there is good cause.

I am returning your extension request form so that you can provide the Department with more information that might show good cause why your extension should be approved. Please provide a brief explanation as to why the project was not completed and return the form in the enclosed self addressed envelope.

I will hold this matter for (15) days. Upon receipt of the completed addition information I will be able to move forward with processing your extension request.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
