The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

The two measuring devices for 37-8859 have not been installed. It is proposed that the measurement devices will be installed at the same as other required measurement devices for surface water rights owned by Smokey Dome. It is expected that IDWR will require measurement devices to be installed before the irrigation season of 2017.

Permit holder(s) request an extension for 3 year(s).
