You have the document from my parents showing tom and I bought the 97 bar ranch

0012, shows the quarter interest of tom and I, tom's parents, leonard and frances, tom's uncle Fred dundas, Tom's uncle fred dundas

0013, shows where tom and I and steve sold each of our quarter interest to leonard and frances and fred dundas

0014, shows where fred dundas sold his half to leonard and frances and 0015 shows the quit claim deed he filed as a follow up.

please double check all these to make sure I'm correct. And then, you should have where Leonard and frances put it into the trust..and eventually to tom as the sole owner of the 97 bar ranch.
