**CONDITIONS OF APPROVAL**

1. Proof of application of water to beneficial use shall be submitted on or before **February 01, 2020**.
2. Subject to all prior water rights.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 36A.
4. Prior to diversion of water under this right, the right holder shall install and maintain a measuring device and lockable controlling works of a type acceptable to the Department as part of the diverting works.
5. The right holder shall not divert water at a rate exceeding what is reasonably necessary for the beneficial use authorized by this right.
6. Use of water under this right shall be non-consumptive.
7. This right shall be junior and subordinate to all future water rights, other than those for fish propagation, wildlife, recreation, aesthetic, or hydropower uses, within the state of Idaho that are initiated later in time than the priority date of this right and shall not give rise to any claim against any future rights for the use of water, other than those for fish propagation, wildlife, recreation, aesthetic, or hydropower uses, within the state of Idaho initiated later in time than the priority date of this right.
