RE: Ownership Change for Water Right No's: 67-7766

Dear Applicants,

The Department of Water Resources acknowledges receipt of your request for an ownership change on the water right mentioned above. However, after reviewing the request, it was determined the incorrect form was submitted for this water right because it is still in permit stage. The fee submitted is the correct amount and will go toward the Assignment of permit when the form is submitted to us.

Please complete and submit the requested documentation listed below:

- An Assignment of Permit form

Because the Department cannot process this request at this time, we will hold any action on your notice pending receipt of the necessary documentation. If we do not receive the required documentation within 30 days, the notice will be returned and will not be processed.

Thank you for your cooperation. If you have any questions please, contact this office at 208-334-2190.

Sincerely,

Rachel Sommer
