Application For Permit No. 82-12255

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the IDAHO COUNTY FREE PRESS on 1/7/2015 and 1/14/2015. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

AF

A very good day to you, Nona,

I hope you had a marvelous Christmas and that your new year will be prosperous.

Please publish the enclosed legal notice on the dates indicated, January 7 and 14, 2015, (once a week for two consecutive weekly issues). If you cannot publish the notice on the proposed dates, please contact us immediately.

This should be very close to press-ready for a 2-column, 8pt layout. In the **USE** area, the dates and water amounts are offset slightly.

Please send a proof/preview copy for my review before this actually goes to press. This should be close enough to copy and paste with perhaps very minor marginal adjustments.

An affidavit of publication must be submitted to the Department along with the publication bill. Please send the affidavit and bill to this office before 1/26/2015. Your cooperation is appreciated.

If you have ANY questions, please call for clarification.

Thanks for all your super help, always,

Dianne Ball
