RE: IRS FORM W-9 REQUEST – LESSOR OF WATER RIGHT NO. 61-11985

Dear Lessor:

The water right referenced above is currently leased to the Water Supply Bank and was rented in 2014. We are currently processing payments to lessors like yourself.

We will be unable to process your payment without the required Internal Revenue Service Form W-9 (enclosed).

Generally the name of the lessor and the name on the W-9 match. However, if they do not match, you will need to provide documentation of authority to receive payment. The Department will update the address associated with the water right to the address provided on the W-9 form unless otherwise requested by you.

Since both Jay and Jonna are on named on the water right we need a W9 form from both. The other option is to designate a lessor and the entire payment will be sent to one person. I have also enclosed a lessor designation form. If you designate a person, they will also need to submit a W9 with the designation form.

Please return the W9 forms or the designation form within ten (10) days from the date of this notice, along with any additional documentation to my attention. If you have any questions or no longer have an interest in the water right, please contact me at (208) 287-4881.

Sincerely,

Sandra Thiel

Sr. Water Resource Agent
