C18 This partial decree is subject to such general provisions necessary for the definition of the rights or for the efficient administration of the water rights as may be ultimately determined by the Court at a point in time no later than the entry of a final unified decree. Comments:

1. segbert 4/24/2006 Sections
The license does not cover the claimed QQs in Section 27 but it does cover those QQs in Section 22. Since there has been no transfer filed to change the location of the POU it is assumed that the claim was in error and the POU should be in Section 22 and not 27 as claimed
2. Ownership Change 7/23/2013 Split Right
Split into 63-33833 AND 63-2724B.
