RE: Partial Abandonment of Water Right 34-4133

Dear Ms. Pope:

IDWR reviewed the partial abandonment notice you submitted for Right 34-4133 and made an additional adjustment to the record for that right. Based on the written intent in your notice, the half-acre portion of the place of use belonging to Mr. Quist has been removed from the right, reducing the permissible place of use to 5.5 acres. The diversion rate remains at 0.12 cfs, as decreed, since the right still authorizes the irrigation of 4.5 acres, as decreed, within the 5.5-acre permissible place of use. I have attached a computer generated printout and a map for your records.

IDWR made no further adjustments to Right 34-12436, since you abandoned it in full. It is no longer active in the water right records.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,
