

MEMORANDUM

DATE: December 3, 2014
TO: Licensed Water Right No. 96-9447
FROM: Darla Block
RE: **Phone conversation with new owner of the property:**
(Lloyd Stock & Deanne Armstrong) (509) 869-4881

On October 3, 2014, the Department received an "Assignment of Permit" form from the license holder of record with the Department along with a \$25.00 filing fee.

On October 27, 2014, the Department sent a letter to the license holder explaining that once a permit becomes a license a "Notice of Change in Water Right Ownership" form is required to complete the ownership change, and the Assignment of Permit form was returned. The letter was carbon copied to the new owners that were listed on the Assignment of Permit, and a Notice of Change in Water Right Ownership form and instructions were enclosed.

Since the Assignment of Permit form filed by the original owner of the property did not apply in this case where the water right had gone through to licensing, the fee receipted by the Department under receipt ID C099479 will be refunded to the original owner of the permit.
