**BEFORE THE DEPARTMENT OF WATER RESOURCES
OF THE STATE OF IDAHO**

IN THE MATTER OF LICENSE NO.
67-14979

(CITY OF WEISER)

PETITION FOR RECONSIDERATION

COMES NOW the City of Weiser, by and through the law firm of McHugh Bromley, PLLC and hereby files a *Petition for Reconsideration* ("Petition") of the *Issuance of License* No. 67-14979. The basis for this Petition is that the *Preliminary Order* for License No. 67-14979 does not provide the correct volume of water for recreation storage, nor the correct total capacity of the pond, nor the correct evaporation loss from the pond. The correct volume, capacity and evaporation loss are contained in the Amended Application for Permit received by the Idaho Department of Water Resources on February 23, 2009. It appears that the Preliminary Order for License No. 67-14979 relied on information in support of the original application for permit received by the Idaho Department of Water Resources on October 20, 2008.

Additional factual information and data will be provided to supplement this Petition for Reconsideration as soon as practical.

Dated this 2nd day of December, 2014.
