Re: Permit No. 71-10921
Notice of Pending Order to Void Permit
Project No. 1113-01-2010

Dear Michele,

Thank you for taking the time to visit with me today regarding my field exam of water right permit no. 71-10921. As we discussed, there are unclear purposes in the actions by IDWR that our client would like addressed relating to the conditions of this permit and general water right appropriation in the Salmon River Basin.

As a result of our conversation, it is my opinion that we have provided IDWR sufficient information within the 30-day timeframe that the state will NOT take action to void this permit until the Proof Due Date of 2/1/2015.

Sincerely,

G. Erick Powell, Ph.D., P.E.
