Dear Mr. Young:

The Department is in receipt of your Statement of Completion (proof statement) for the above mentioned water right permit. Per your phone call today, it is my understanding that you have sold the property associated with this permit. The Department requires that you file an Assignment of Permit form in order to change ownership of this permit which is currently considered to be personal property of yours unless you assign it over to the new owners. Enclosed is an Assignment of Permit form for your use. I will hold off on the processing of your proof statement until I receive an Assignment form from you. There is a filing fee of \$25.00 associated with the filing of an Assignment of Permit.

Please call me if you have a question.

Sincerely,

Darla Block
