Notice of Protest

To whom it may concern,

* #6- Basis of protest

Protesting claims filed on November 5th and 12th 2014 by Bret C or Colette Oxborrow of 1354 Stauffer Canyon Road Montpelier, Idaho 83254.

Claims based on diversion and beneficial use of water.

#s 11-7797, 11-7798, 11-7799, 11-7800, 11-7800, 11-7802 , these claims come from a tributary of Spring Creek and Stauffer Creek which Mr. Oxborrow has no water rights too. In claiming this water he will be robbing from the cfs from water right owners down below his section that have the water rights.

We are concerned and would like to dispute and stop these claims, until the Judification of water comes to Bear Lake, Idaho and is put to rights and corrected.

The water arguments in this small area is getting out of hand and it is starting to get ugly, we would ask the State of Idaho Water resources to step in and correct these issue, we understand that after everything is said and done we could be taking to much water but we want it right for everyone with rights from Spring Creek and Stauffer Creek.

Thank you for your time,

Scot D. or Lorie Hennings
