PROOF ACKNOWLEDGEMENT LETTER

RE: Permit Nos. 29-14088 & 29-14089

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use forms and a check in the amount of \$100.00 submitted for the above referenced permits. Based on the maximum diversion rate of 0.04 cfs (cubic feet per second) from ground water allowed under each permit there is no license examination fee. Therefore, I will initiate the process to refund the \$100.00 you submitted. You should receive a State of Idaho check for \$100.00 within ten business days under separate cover for the fee you paid.

The next step in the process of developing water rights is for the department to conduct field examinations to determine and confirm the uses being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at: www.idwr.idaho.gov

If you have any questions concerning the field examination, please contact the State Office of the department in Boise at (208) 287-4800

Sincerely,

Darla Block
