Dear Mr. Webster,

I'm sorry, I did miss that line on the form. The fish screen ¼ inch mesh has been installed.

How would you like me to indicate that? In a letter?

Please let me know.

Thanks.

Subject: Statement of Completion for Submitting Proof of Beneficial Use for Permit 95-16814

Ms. McElroy,

I am in the process of attempting to license water permit 95-16814. I'm e-mailing you a copy of the letter to ensure you receive it timely. Please see the attached letter. I have also mailed a copy to the address on the Permit. The area of other Conditions of the Permit were left blank on the form we received. I am attempting to get information on whether condition 4 has been accomplished.

A fish screen of ¼ inch mesh or smaller shall be installed and maintained at the point of diversion.

Please send the information within 14 days. Thank you for your assistance with this.

Sincerely,

Clay Webster
