Dear Mr. Ringel:

We are returning your application with money order #15-119 in the amount of $35.00. We have taken the liberty of re-typing your application with some spaces left blank in order that you can clarify some points.

Item #3 must indicate the 40-acre subdivisions that you wish to divert water from. You have indicated the E½NE¼, Sec. 17, T. 10S, R. 40E, B.M. If you divert water in both 40-acre tracts, please indicate them as the NE¼NE¼ and SE¼NE¼, Sec. 17, T. 10S, R. 40E. You have indicated 3 cubic feet per second as the amount to be appropriated in item #4 and only 2 cfs in item #5. Which number is correct? The acre foot figure you supplied in item #5b will not be necessary as it would be for storage only.

Please enter the necessary information on the new form, then sign and return it with your money order for the proper fee.

If you require additional help in this matter, please contact this office.
