Jerry,

Per our telephone conversation, I am writing to confirm that we agreed that I would hold off taking action in connection with permit 29-7869 for 20 days allowing you time to prepare documentation outlining your clients position. I will hold off taking action until November 21, 2014, at which time, if nothing else has been presented to support differently, I will most likely move forward to void permit 29-7869.

Thanks,

Craig Saxton
