RE: Change in Water Right Ownership 22-11993

Dear Mrs. Beard:

First, let me express my condolences. I understand that your husband passed late last year. And no doubt this year has been difficult for you.

Second, it was a pleasure to speak with your son over the phone this morning. At his request, I have enclosed a Notice of Change in Water Right Ownership form and the instructions for completing it. In this case, we will need a copy of your husband's death certificate to accompany the form. Because you are only removing your husband's name from the water right, no fee is required.

Please complete the form and return it to IDWR at the address in the letterhead above. Once we have updated the ownership, the payment from the Water Supply Bank should come in your name only.

Feel free to contact this office if you have any questions.

Sincerely,

for
Cherie Palmer

Re: Change of Ownership for Water Right No(s): 22-11993

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Please note, water right(s) 22-11993 was leased to the Water Supply Bank on (bank) in March, 2013. In accordance with the bank lease acceptance, the lessor/current right holder (right holder) may not use the right(s) while it is in the bank, even if the right(s) is not rented from the bank. The right(s) will remain in the bank until December 31, 2017 unless released earlier by the Water Resource Board or upon request by the right holder. To reduce the term of the lease, the right holder must submit a written request to the department. The department will verify if the right is rented or available for release, and notify the right holder of the release date.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see § 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

The Department only requires a copy of the death certificate. I made the required copy and am returning the original to you.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink, reading "Jean Hersley". The signature is fluid and cursive, with the first name "Jean" and last name "Hersley" clearly distinguishable.
