RE: Assignment of Permit for Water Right No. ⁹⁵96-9349

Dear Permit Holder(s):

The department acknowledges receipt of the assignment of permit received from the previous owner of your property for the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The Department also received an Assignment of Permit form from you which the Department considers unacceptable because you are the new owners of this water right permit. Therefore, I am returning the form you filed as unprocessed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Darla Block
Technical Records Specialist
