Re: Drussel/Harrell

Dear Mr. Fitz:

Our office represents Sandra L. Drussel in connection with a recent transaction concluded involving her brother Brian S. Harrell, and his wife, Ilene G. Harrell.

I believe you may recall that Sandra Drussel has talked with you previously about dividing the water rights associated with her farm ground as she retained a five-acre parcel. I will enclose the following:

1. Original State of Idaho Department of Water Resources Notice of Change in Water Right Ownership. This has been executed by the Harrells' as the buyers.
2. An original Water Rights Division Agreement. This has been executed by the buyer and seller and describes how the rights are to be divided.
3. A copy of the deed from Sandra Drussel to Brian and Ilene Harrell.

Sandra Drussel will be in touch with you within a day or two to discuss this and what she will need to do as far as changing the point of diversion for her share of the rights. Also, she can discuss with you payment of fees associated with the right(s) to be divided.

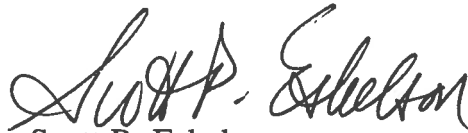

Mr. Cooper Fitz
