Thanks for helping with application to separate wells for Moons & Yeagers.

Hopefully we have the proper paperwork!

As far as Cherry Creek 2 hours water rights for 15-65, the deed between Howell/Anna Williams estate trust to Cordell^{son} Maisie Williams (bought his brother's & sister's share of farm) might not have gotten recorded & family hasn't found deed yet. Not including \$25 for that until we get proof.
