RE: Change in Ownership Water Right No. 34-10324

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Ownership:** In order for the department to complete a notice of change in water right ownership, evidence of ownership is required. Please submit a copy of you 'recorded' Warranty Deed or other legal document indicating your ownership of the property associated with the water right or the water right only. The department cannot accept a Purchaser Statement as evidence of ownership.

**** **Filing Fee:** The filing fee for a Notice of Change in Water Right Ownership is \$25.00 per water right if the application will not result in a division of the water right or \$100.00 per water right if a split is required. Please submit the appropriate filing fee.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
