Re: Licenses issued to Kermit Wiggins

#67-7931 & 67-14405

Dear Mr. Walker:

We are in receipt of the inquiry regarding the source listed on Mr. Wiggins water right licenses. Please note that once Rush Creek water is diverted out of Rush Creek, it is no longer Rush Creek water. Since this water is diverted out of Rush Creek and into a pipeline the source becomes known as an unnamed stream. Please see the enclosed memorandum dated May 12, 2014, and a copy of a map that we used in the licensing of the permits.

If you have any additional questions &/or concerns regarding this matter, please feel free to contact us this office.

Sincerely,

KAY WALKER
Sr. Water Resource Agent
