RE: Application to Appropriate Water 74-15665

Dear Mr. Oeding:

The Idaho Department of Water Resources (IDWR) is reviewing your application to appropriate water from surface water in the Salmon River basin for irrigation purposes.

As you may be aware, the moratorium for the Salmon River basin has been lifted. This letter is to identify your intent to pursue Application for Permit 74-15665. I've attached a copy of your application for your review. The application has already been advertised and is ready to move on to final review.

Please contact me immediately to discuss the application.

Sincerely,

Scott R. Bergendorf
