RE: Change of Ownership for water right No.'s 35-14164, 35-14166, 35-14168, 35-14170, 35-14172

Dear, Jonie,

Please find enclosed a Notice of Change of Ownership form completed for the above referenced water right numbers. Also enclosed is a copy of the deed, map, and certificate issued by the State of Oregon certifying the merger between Utah Power & Light Company and PacifiCorp in 1989.

The property was purchased by Utah Power & Light Company in 1975. In 1989, Utah Power & Light Company became PacifiCorp. While the property ownership still shows Utah Power & Light Company, it would be our preference to update the water rights in the appropriate name of PacifiCorp. The county and the state recognize that PacifiCorp was formerly Utah Power & Light Company and have not required us to file similar documents for every parcel we own in the state.

Also enclosed is a check for \$125.00 to cover the application fee of \$25.00 per water right. Please let me know if you have any questions. I can be reached at 801-220-2252 or by email at Claudia.Conder@PacifiCorp.com

Cordially,

Claudia Conder
Senior Property Agent/Water Rights Administrator
