RE: Refund: Ownership Change – 63-31995

Please refund \$740. A transfer was submitted on July 7, 2014, with \$765.00 to change the ownership of 63-31995. The transfer was returned on July 24, 2014. The applicants were notified the correct form that needed to be submitted would be a Notice of Change in Water Right Ownership. The notice was received and processed. The change of ownership requires \$25.00 for the processing, which was not paid to the Department.

Please issue a refund of \$740.00 to:
