RE: Proof of Beneficial Use Due & Change in Water Right Ownership for Permit # 95-10945

Dear Terry Keifer:

The Department of Water Resources has reason to believe you may be the new owner of the property associated with water right permit no. 95-10945, which authorizes a total diversion of 0.12 cubic feet per second (cfs) for irrigation of 4 acres and domestic use for 1 home from ground water in the (NE¼SE¼) Sec. 25, Twp 52N, Rge 05W, B.M., Kootenai County.

This permit is currently in the name of Kenneth Hayes, and is considered personal property of Kenneth Hayes. A condition of permit approval requires the permit holder to submit proof of beneficial use of water ("proof") to the Department on or before December 1, 2014. Correspondence mailed to Mr. Hayes was returned to our office marked by the US Postal Service as "not deliverable as addressed", and we have no forwarding address for him.

If you are the current owner of the property listed above and you are interested in obtaining ownership of this water right permit, you must contact the permit holder of record "Kenneth Hayes", and have Mr. Hayes file an Assignment of Permit form along with a \$25.00 filing fee. Enclosed for your convenience is an Assignment of Permit form.

I am also enclosing a copy of this permit for your reference, along with a copy of the proof due notice that the department attempted to send to the permit holder of record with the department. Proof of beneficial use is due December 01, 2014. If no response is received from you, this permit will lapse and your authorization to develop and/or use this water right will be cancelled.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

Darla Block
Technical Records Specialist
