RE: Notice of Security Interest in a Water Right 35-7197, 35-7198, 35-7199, 35-7200, 35-2203, 35-4018, 35-10024, 25-13352, 35-2648, 35-12514, 35-2672, 2673, 35-7495, 35-2621, 35-2674, 35-12516, 35-13824, 35-13826, 35-13828, 35-13830, 35-13832, 35-13834, 35-13836, 35-2715, 35-2853A & 35-7563

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

Please note the following water rights were also listed on your application, 31-11780, 31-11782, 31-12110, 31-12112, 31-12056 and 35-7563, however the Security Interest could not be added because the legal description and/or the grantor does not match the elements of the water rights.

Because the Security interest could not be added to these numbers you are entitled to a refund in the amount of \$125.00. The department has initiated the refund and it should arrive from the state office in a couple of weeks.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
