RE: Notice of Change of Water Right Ownership for Water Right Nos. 13-624 and 13-630 in the Name of Shaw Land & Livestock Company, L.L.C.

Dear Jonie:

Enclosed is a completed *Notice of Change of Water Right Ownership* for the above-referenced water rights. The water rights are appurtenant to property in Section 21 of Township 11 South, Range 40 East. We have included a complete copy of the Deed Report from Alliance Title that we received on this property. You will note that there is a summary sheet with the deeds and the recording numbers, and I made notations next to those Deeds that do not appear to be tied to the property encompassed by the current place of use for the above-referenced water rights. The water rights are currently in the name of John Bartlome. Mr. Bartlome received the property from the Medfords in 1916. There does appear to be a gap in the chain of title between John Bartlome and Owen and Mina Hogan. However, the chain of title picks up again when the Hogans conveyed the property LaRoy Roper. Mr. Roper then conveyed the property to Ralph Anderson. Mr. Anderson and his wife then conveyed the property to Shaw Development Incorporated, who then conveyed it to Shaw Land & Livestock Company, and ultimately the company conveyed it to the LLC.

We have also included the required \$50.00 filing for change of ownership on these two water rights. We appreciate your attention to this matter. Please let us know if you have any questions or concerns.

Best Regards,

Robert L. Harris
