Explain why additional time to complete transfer is needed and show a reasonable cause for the delay:

The transfer authorizes the addition of two wells to the integrated irrigation system. The location of one of the two wells has been surveyed; Idaho Power is currently engineering the power supply and Agri-lines is working on the irrigation design. Drilling this well was scheduled, but delayed by the driller due to emergency circumstances he had to attend to elsewhere. Drilling will start as soon as the driller is available. Development of the 2nd well is planned to follow completion of the first well.

Costing \$ 2,500

ACTION OF THE DEPARTMENT OF WATER RESOURCES

The Department approved the above referenced Application for Transfer with a condition that it be completed within 1 year(s).
The right holder has notified the Department that the transfer has not yet been accomplished.
The right holder has requested an extension of time for completion of the transfer and has shown reasonable cause for the delay.

IT IS, THEREFORE, HEREBY ORDERED that the right holder of Transfer No. 78706 is granted an extension to December 23, 20 18 in which to accomplish the transfer. IT IS FURTHER HEREBY ORDERED that this extension does not stay the accumulation of the 5 year period associated with forfeiture of a water right for non-use.

OR _____ Extension is not granted. (See correspondence in water right file.)
