RE: Change of Address for Water Right No. 63-18377 and 63-4059B

Dear Permit Holder(s):

The Department of Water Resources has been notified the address currently in our records is incorrect. Although we have reached you at the address above, we need your written confirmation that this is your correct mailing address before we can change our records. Future notices related to your water right can be sent only to the address on your water right or as otherwise changed by you.

The above mentioned water rights were both claimed and decreed in the Snake River Basin Adjudication with the 7014 N Linder Rd address. An address change request has never been submitted to the Department.

Please complete the enclosed Change in Address form and return it to the address above. Make any necessary corrections and list any other water rights you may have before returning.

If you have any questions regarding this matter, please call me at 208-287-4942.

Sincerely,

Jean Hersley
Technical Records Specialist II
