The Department of Water Resources received your Application for Transfer for water right 63-31916. An application for transfer is used to move or transfer the place of use or point of diversion. With the fee you paid and the attachments you provided i.e. warranty deed, the Department assumes what you want is an ownership change. Ownership changes are to record the owner of the water right appurtenant to property. I have attached the appropriate form for your convenience. Fillable forms are also available on our website: www.idwr.idaho.gov. Please print the form and return it to my attention to:
