RE: Application for Transfer for Water Right No. 63-31916

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received an Application for Transfer on July 7, 2014, for Water Right No. 63-31916. After reviewing the request, it was determined that a Notice of Change in Water Right Ownership was needed. Ownership changes are to record the owner of the water right appurtenant to the property described in the warranty deed. Applications for Transfer are needed when the water right holder wishes to change the point of diversion or move the place of use. An email request for this information was sent on July 7, 2014.

As of the date of this letter, this information has not been received. Notice of Change in Water Right Ownership forms can be found at: www.idwr.idaho.gov. The filing fee of \$25 you paid previously will be transferred to the ownership change.

If the Department does not receive the Notice of Change in Water Right Ownership from you by August 22, 2014, the Department will return your application unprocessed. You may file again in the future with all the required information. If you have any questions regarding this matter, please call me at (208) 287-4942.

Sincerely,

Jean Hersley
