Idaho Falls, ID 83402-1718Re: Notice of Change in Water Right Ownership
Water Right Nos. 35-7045
B & H Matter No. 9670

To Whom It May Concern:

Please find enclosed with this letter the following documents:

- 1) *Proposed* Notice of Change in Water Right Ownership;
- 2) Water Right Report for Water Right No. 35-7045; and
- 3) Map for Water Right No. 35-7045.

Additionally, we have enclosed documentation for the pending Transfer No. 78998. As indicated on Transfer No. 78998, the current owner of the water right will be retaining 1 acre of water, while the remaining 155 acres of water will be conveyed by way of a deed to the new owner, together with the sale of the property.

We understand there is a pending request filed by the current owner, as evidenced by the enclosed "Transfer No. 78558". We assume the involved Notice of Change is not inconsistent with that application. If there is a problem, please let me know.

We have indicated both options under number four of the form, as we believe both of the selections apply to the change. Additionally, we understand the fee for the split will be \$100.00.

If anything further is required, or if the fee is incorrect, please let me know.

We appreciate your assistance.
