James,

By this email, Jorgensen Farms is withdrawing its protest to transfer no. 79327 filed by Joseph and Lyle Swenson. As I explained in the status conference this morning, I've reviewed the chains of title provided for the Jorgensen and Swenson properties, and it does appear the Dietrich decree contains a clerical error as to the place of use of water right no. 13-684, and that transfer no. 79327 will properly correct the error.

If you wouldn't mind sending me a courtesy copy of the transfer, once it is approved, that would be appreciated.

Thanks,

TJ
