Re: Change of Ownership for Water Right No(s): 57-4100, 57-7208, 57-7577 and 57-10636

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records to reflect this change in ownership and has enclosed a computer-generated report for your records.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact me at (208) 287-4942.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".

Re: Rausch Farms, L.L.C. Notices of Change in Water Right Ownership
Nos. 57-4100 and 57-7577 (both formerly Holloway),
No. 57-7208 (formerly Ware), and No. 57-10636 (formerly Sevy)

Dear Ms. Keen:

Pursuant to our recent exchange of email, I am enclosing on behalf of Rausch Farms, L.L.C. three Notices of Change in Water Right Ownership which together cover the four Water Rights referenced above. As required, documents are also enclosed depicting Point of Diversion and Place of Use for each right, and establishing the chain of title from those in whose names DWR currently shows water right ownership to Rausch Farms, L.L.C., in all cases passing through Richard Rausch, one of the members of the LLC.

The chain of title documents are voluminous, particularly as to the historic vesting in Ware and Sevy. Because Ware and Sevy are in the same chain of title as to the Section 13 property associated with 57-7208 and 57-10636 (Ware having been a predecessor in interest to Sevy), I elected not to unnecessarily print and enclose the same documentation (45 pages) twice. Therefore, when reviewing the Notice of Change for 57-10636 (Sevy), kindly refer to the title documentation attached to the Notice of Change for 57-7208 (Ware). I have attached a "sticky note" directing you to the pages that you may find to be most relevant for present purposes.

You will see that the Section 13 property (NW ¼ of SW ¼) passed from Ware to the U.S. Department of Agriculture through deed in lieu of foreclosure (1983), then to Sevy (1987), then, as to Sevy Sr's then-remaining interest in the quarter quarter section, to eight designated heirs of Sevy through estate distribution (1990), then, as to such distributed interests, to Sevy Jr., one of the eight heirs, via numerous warranty and quitclaim deeds from the other seven (many of which deeds appear to have been recorded simply to clear title/procure clean title insurance). Sevy Jr., who then owned all of the quarter quarter section, then split it up, deeding the portion lying *east* of the Gem Irrigation District lateral to Payne (1993), and the portion lying *west* of the lateral to Richard Rausch (1997). Later, Richard Rausch deeded the *west* portion to Rausch Farms, L.L.C. (2003), and, at the same time, Payne deeded the *east* portion to Rausch Farms, L.L.C., thereby bringing both parts (the entire quarter quarter section) under common ownership again.

Ms. Shelley Keen
Idaho Department of Water Resources

Page 2

The chain of title with respect to Holloway is a lot more straightforward: title to all of the affected Section 15 property passed from Holloway to ALCM Holding Group LLC (1999), then to Richard Rausch (later in 1999), then to Rausch Farms, L.L.C. (2003).

Rausch Farms, L.L.C. today holds the entirety of the real property with which all four water rights are associated, so no splits/divisions are involved. Accordingly, we are enclosing a check in the sum of \$100 (\$25 per water right), together with the Notices of Change, duly executed by Kelly Rausch, a member of the Idaho LLC. A copy of the most recent Articles of Amendment to the LLC's Articles of Organization, as filed with the Idaho Secretary of State, are enclosed so that you may readily confirm her status as a member and view her signature.

While I believe the DWR now has everything required to update its records with respect to these four water rights, please do not hesitate to call or email me should you have any questions or require any further information. My contact information appears above.

Sincerely,

A handwritten signature in black ink, appearing to read "James B. Ekins", written over a circular line.
